Mayor Moore opened the Public Hearing for the 2020-21 proposed budget. Mayor Moore stated that because of the results of the Special election, increased sales tax revenue and commitment from the EDRLF committee to pay for the grant writer and the Streetscape bond payment, taxes have decreased in Broome County by 22% and Delaware County by 11.6%. With these reductions we are able to repeal our tax cap override. Last year's budget in the General Fund was \$1,291,732 and this year's budget is \$1,158,431. This includes \$60,000 for the Broome County Sheriff patrol. All wage increases are equal and for the same term.

Water rates increased from \$63.53 last year to \$63.97 this year or a total of .44 cents with the rate per 1000 gallons going from \$8.69 to \$8.98.

Sewer rates went from \$157.11 to \$158.37 and increase of 1.26/quarter.

Total minimum quarterly water/sewer bill of \$222.34. An increase of \$1.70/quarter.

The Mayor asked for comments. Sarah Evans wanted clarity about the EDRLF contribution. Mayor Moore went on to explain. Paul Lantz asked for the decrease numbers again. Trustee Ryneerson stated that a few years ago the water bills decreased by a few dollars and even with this increase they haven't reached the amount of prior decrease.
