OLD BUSINESS

President O'Connor reminded the public and the board that municipal cleanup day is August 14th, 2010 at the Town of Sanford Highway garage.

STREETS

PWA Hubbard stated that the village crew had completed 91 Work orders and 31 for the OLWWTP. Work orders completed included brush pickup, cold patch, clean debris behind village garage, Laundromat hookup of water and sewer both.

Hubbard further stated that the Second St. Project was right on schedule with the tree cutting half done already. He stated that water valve shut offs would have to be replaced as the current ones are frozen open. He anticipates between five and six will be needed at an approximate cost of \$34,000. Once the test holes are drilled by Procon he would know more what he will need and where they will have to be placed.

The Firemen's Park survey being done by Paul Koerts is being modified to not include any of the walking track in the easement and should be done by the next board meeting for approval.
